

REMARKSAmendments

It is abundantly clear from applicants' specification that " normal athletic performance" is defined as encompassing activities which increase pulse over baseline .

This amendment clearly reduces and eliminates all issues on appeal because it cancels all claims except claim 18, which stands unrejected.

It is submitted that the claim is in condition for allowance.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Should the Examiner have any questions or comments, he is invited to telephone the undersigned at the number below.
